Durham Dales Provisional results. Thanks for coming we hope you had a good day. Special thanks to marshals & helpers for braving the weather - you are heroes. Beaumont was cancelled due to the weather, and the results of OT1 discounted due to the various routes you found through/past the cones and the unique way this was recorded. We have done our best with the some score sheets not being in perfect condition due to the weather, but . . . If you wish to query the scores, please do so. Send your query in writing to the secretary of the meeting along with £25. Your query will be put in the bin and the money sent to the Air Ambulance charity. Seriously, we will reluctantly consider valid evidence.
