Fastest Time on Observed Tests set by **Paul Bartleman** (7) to win the T.C.Longford Trophy

* Excluded from Results for tow to Lunch Halt

Teams : Three entered - **Two Wasps and a J** (Messrs. **Partington, Chatwin** and **Sterry**) finished complete, on 42 marks; Regrettably, both '2 Bugs & a Thug' (Messrs. Rippon, Tonkin and Bolt) and 'The Crafty Buggies' (Messrs. Woodall, Davis and Hart) lost a member from the Results on the way round.

Sincere thanks from the organisers to all the 70+ volunteer marshals who turned out for the day to endure sunburn and dust in the throat, some hardy souls at two Sections. There was far too little mud to share it out fairly!

These Provisional **Results** will become **Final** on Tuesday **19 April** unless any query causes substantial revision.
