<p>Hope you all enjoyed your day. On reflection it was probably as tough competing &amp; Marshalling as it was to organise. We lost two hills prior to the event &amp; one new hill on the day (Gullijohn 2) was not run for classes 1-5 due to the deteriorating conditions (maybe a bit ambitious on my part). Overall though i think we managed to run a reasonable amount of sections for bikes, outfits &amp; cars. A massive thank you to the landowners, Marshal's, organisers and competitors for making it the event it was!</p> <p>Special thanks for the entertainment provided by the outfits in Leigh woods. Cheers for now, Arni C.O.C</p> <p>HMC would also like to stress that Gordon's Terrors is a bridle path and not a public right of way, special permission is obtained by the club for it's use on</p>																												Smallbrook wood Trophy
