### Notes on results

In all but classes B & 1, the only competitor to achieve gold medal standard in the class has been awarded the Class Award. In Class 8 the only gold medal standard was the overall winner (cars) so only a Best in Class is awarded. No one in Classes 6 or 7 climbed Hoskin so this not counted in the result. Some competitors who failed Blue Hills 1 then rolled back and took a run, this was recorded by the observer as "RB" so this mark may not mean that the competitor attempted and failed the restart. The A Boards on Cutliffe Lane were the end –of-section for classes 1 & 2 regardless of any better performance. Some competitors from these classes did climb successfully to the summit, so those that passed the A-Board are shown as lower case "s" - non-counting stop. Laneskin Wood was cancelled for Class O after the weather made the section unsuitable for this class.

**Timing.** All penalties derived from timing infringements have been cancelled, not because the event ran late, but because the Route Book did not correctly define where the timing started and ended as required by the SSR's. There will be more on this and the importance of timing in general in the next issue of TRIPLE.

**THE COMMITTEE OF THE M.C.C. WISH TO EXTEND THEIR SINCERE THANKS TO ALL MEMBERS AND FRIENDS WHO WILLINGLY GAVE UP THEIR TIME TO UNDERTAKE DUTIES AS OFFICIALS AT OBSERVED SECTIONS, TESTS, AND CONTROLS.**
