SUPPLEMENTRY REGULATIONS

**A ROUND OF THE 2015 'REIS' ASWMC CLASSIC RELIABILITY
TRIALS CHAMPIONSHIP and ACTC MOTORCYCLE CLASSIC TRIAL
CHAMPIONSHIPS**

**OPEN TO ALL MEMBERS OF ACSMC, ASWMC & ACTC MEMBER CLUBS &
ACU AFFILIATED MEMBERS.**

For our special friend Steve

This year's Tarka Trial has been revived and is now called the Steve Knight Tarka Trial.

As many of you will know, Steve sadly left us all in March 2014, the trial never ran last year as 'Steve was the trial'. He put months of effort every year into this event doing all the ground work himself and had volunteers for the day. He had already started planning work for the 2014 trial but unfortunately never got to complete it.

Steve was a fantastic guy, very kind hearted, a father to his beautiful daughter Megan and a joy to be around. His very sense of humour and choice of words made him a unique and amazing person. We have had to change some of the wording in the regulations this year but we have kept the brilliantly laid out route card, we hope you all enjoy this year's trial and remember that Steve found the sections and made the trial. He is deeply missed and we hope he is watching down and approves (yeah right!) of this trial, we would like to thank you all for competing.

We are novices at running an event so we hope that you all have a fun day and we haven't made too many mistakes.

Happy trialling

Chris – Mick – Becey

And: - sorry the results will take a week to publish and will not be handed out on the day.
