## **70th TAMAR CLASSIC RELIABILITY TRIAL**

**SUNDAY 23<sup>RD</sup> OCTOBER 2016**

Launceston & North Cornwall Motor Club and MG Car Club Devon & Cornwall Centre welcome you to the 70th Tamar Trial to be held on Sunday 23rd October 2016.

This year's Tamar will follow a similar road route to last year, staying in North Cornwall and West Devon. We are again using the starting area at Martin's Cash & Carry and Launceston Football Club venue which is just a short distance from the A30 dual-carriageway and less than 2 miles from our finish at The Winds of Change, South Petherwin. The trial will of course include the favourite hills of recent years, we plan to re-introduce a few sections of old and we have some new finds to keep the regulars on their toes. Last year we were pleased to be able to complete the trial in daylight and we hope to do so again.

We are once again running the car side of the trial under a dual-permit. This allows non-championship contenders or those who perhaps only enter a few events over a year the chance to participate in the trial without the need for a competition license. Motorcycle competitors will again this year benefit from being covered for road mileage under the normal authorization insurance certificate, meaning separate cover is not required. For the Cars, Lockton's have introduced a flat rate scheme of £5 per vehicle for on-event cover which will ensure that all competitors are appropriately covered.

We look forward to offering you a good day's trialling in a beautiful part of Devon and Cornwall.
