

The 39th Kyrle Trial

Thank you all for competing, marshalling or otherwise helping with the 39th Kyrle Trial on 30th October.

Congratulations to **Gary Browning**, taking the **Kyrle Trophy** on just 7 marks lost and only 4 marks from second place man Aaron Haizelden, who put up a good fight in his Scimitar SS1 and had a little help from his dad... We had a good spread of five different classes in the top ten places, just as we did last year.

We believe the two Barnhill sections have lots of potential for future events and were glad to use Jacobs Ladder again. On the day the ground was generally drier than expected, that is with the exception of Shapridge.

We're sorry about the last-minute absence of petrol at the start and of good parking for trailers and trials cars at the finish, which we'll attend to for next year. Hope you all enjoyed the dry mild weather we organised and the Forest of Dean in its autumn colours.

Clerks of the Course Nigel Green & Paul Bartleman and Chief Marshals Tom Baker & Glenn Morgan worked hard all day to keep the trial moving. Our results team of John and Julie arrived back at the Club House with printed results ready to hand round.

As always a **really special thanks** to **all the marshals** from many different clubs for all their effort, some marshalling on two hills; they were all great.

On a financial note, however, the low entry means that we only just broke even and as our Club cannot run events at a loss, please encourage others to enter next year.

We look forward to seeing you back again in 2017 for another good day's trialling in the Forest of Dean.

**Nigel Green, Paul Bartleman, Stuart Harrold, Neil Forrest,
Tom Baker, Glenn Morgan, John Tatlow, Julie Westwood
and the Kyrle Trial Team.**
