

**STROUD & DISTRICT MOTOR CLUB LTD  
PRESENTS  
THE  
MECHANICS CLASSIC ROAD TRIAL**

**Sunday 13th OCTOBER 2019**

**Last year's Over-All Winner – Ian Moss Hillman Imp**

## THE MECHANIC TRIAL

THE MECHANICS TRIAL originates from the late 1970's when the clubs Headquarters were located at the Mechanics Arms PH in Chalford.

The Landlord and landlady, Jim & Liz Polly, presented the Mechanics Trophy to the Club giving us an opportunity to run an event in the pub's name.

The first Mechanics Trial ran in 1979 and was organized by Nigel Moss, Eric and Diana Wall, The single venue Classic Trial was held within a few miles of the pub in Badgers Wood, Cowcombe, Chalford. The event continued to run at various single venues including Catswood and at Sallywood Farm from 1984 to 2001.

In 2002 the event ventured out onto the road with Gill and Edwin Hayward doing a great deal of work to create a brand-new road trial for the club. Various organizing teams have since kept the event on the road.

This year's event is organised by a similar team to last year with, it will feature old favourite hills such as Wood Lane and Viaduct and will follow a similar format to recent successful years. The trial will include a couple of old sections used on the Cotswold Clouds in the early 80's, Hobbs Choice, a gentle rocky climb and a tricky old favourite Bulls Cross.

The event offers what we hope is a good day's motorsport visiting some different parts of the Cotswold's to our Cotswold Clouds Trial in February. The organising team make every effort to give all competitors a chance to climb some sections during the day but also making some a great challenge.

The Mechanics Trial will run on a Clubman's permit which means you do not need a competition licence.
