Hi Guys, thanks to all coming. Thanks also to the organisers & marshals

The organisers apologise for the low number of marshals due to date clashes - a few more would have improved things

Some sections were a bit harder than usual & things will be reviewed

Some sections have no score against certain riders so a 12 has been put in to compile these results - sorry for any mistakes I've made.

**NEXT EVENT IS OCTOBER 13th** not sure of the route yet but it will be different, with different sections to freshen it up

**HOPE TO SEE YOU ALL AGAIN**
