BRISTOL MOTOR CLUB

ALLEN TRIAL 1994

This years Allen could certainly be described as challenging. The recent spell of wet weather had left all the sections at their "best". The day started well for competitors with the Crown well stocked this year for bacon rolls and coffee.

The step on Tog Hill caught out a few, despite the bags of rubble we used in an attempt to smooth it out. Bitton Lane restart was much harder than last year and 16 competitors failed to get going.

Guys Hill was the opposite with only 16 clears. The red restart being very tricky and impossible until Dudley Sterry the only clear in class 8, showed the way.

Readers of "More Wheelspin" will note that Elwell was much easier than in 1946 when only 2 clears were recorded. This year only 3 fails including an Escort with gearbox problems.

Burlidge was a different story, 2 cleans in 1946 and only 4 this year. Another common factor being one of the cleans in 46 was an MG J2 and Dudley Sterry showed class 8 the way again in his MG J2 this year. The other cleans this year being Gerald BurrIDGE, MG PB, Simon Woodall, VW Baja, and Julian Dommett, Dellow.

I thought the reverse approach to Nanny Hurns would be a new idea, however John Hayes had already tried it some years ago. It was an attempt at increasing the spread of times on the Test. The fastest was Mick Workman in 18 secs, the slowest taking a little longer!

Congratulations to Julian Dommett and Dudley Sterry the only clears, Julian Beating Dudley on the special tests by 2.6 seconds to win the Allen Trophy.

It was also nice to see the Morris Minor of Phil Montgomery-Smith amongst the class 3 awards.

Finally a note of thanks to all the marshals and recovery crews who turned out yet again and stayed well after dark on the last sections.

We hope you enjoyed the event and hope to see you all next year.

Pete and Carlie Hart, Tim Adams, Andy Osborne, Graham Jones.
