Dear Contender

Sorry for the delay in sending out this newsletter - I hope you get it in time for the awards presentation at the Sefton Hotel, Torquay on Sunday 7th January. Congratulations to all our award winners we do hope that if you have been fortunate enough to win a trophy that you will be able to attend the prize-giving ceremony at the Sefton Hotel. If you cannot attend perhaps you could arrange for someone to collect your award for you?

It has been another very good year for the Championship with memberships again up on the previous year and it looks as though from the number of new members that we will be up again in 1990. On behalf of all competitors may I thank all those who have organised and marshalled on events this year, all of whom give up a lot of their free time for the pleasure of others. This Autumn has seen most trials over-subscribed but the situation may ease with an increase in the number of Championship Events in 1990 plus a couple of extras in the calendar. The Torbay Trial which Arthur and I organise will not run on March 4th as scheduled - I am afraid that we just have not got the time especially having just finished the December Event and nobody else from the Club seems to be interested in organising. Hopefully it will be run again in March 1991. As far as I know all other events are still on. You should by now have received Regs for the Clee Hills and labels have been sent for the Exmoor Trial, The Cotswold Clouds Trials also the White Peaks Trial so they should be arriving shortly.

Reminder from David Alderson ACTC Secretary:

Don't forget that a new regulation approved by RACMSA Trials and Cross Country Committee and accepted by both ACTC and MCC delegates required you to produce a current D.T.P. Test certificate (MDT) for your trials car at scrutineering from 1st January, 1990. This will apply from the 1990 MCC Exeter Trial on 5th - 6th January onwards.

Apart from the changes to class 7 vehicles, which has received plenty of publicity, but if you are still in doubt about eligibility then contact Alan Foster (address in Champ Reg Booklet), there have been no other changes to the rules for 1990. So all that is left for me to say is to wish you all a very happy and safe trialling New Year!!

Many thanks to Simon Woodall for compiling all the results. Simon also takes the votes for the Trial of the Year Award and commented that this year the Camel won by quite a large margin from the others. He thanks all those who did vote but it would be nice to see a few more sending in votes next year.
