Kyrle Trial

29th April 1990

Penalties, Results and Acknowledgements

1. The Indicative Results posted in the Clubhouse at 6.25 have been re-checked and found entirely accurate. Simon and Angela work faster each year in spite of problems made for them by the Secretary!

A total penalty of 12 marks, however, has been imposed (as per S.R. 19.5) on the competitor found to have both driving wheels with tyre pressure below 15 psi at Cuddleigh Bank. This is the third year in which Classes 6, 7 & 8 have run with minimum tyre pressure imposed; we hope it will be longer still before our vigilant Scrutineers find it necessary to impose another penalty.

2. These **Provisional Results** will become Final on Saturday 12th May unless queried and protested as in L1.14.7.
3. The **Kyrle Trophy** is well won by **Terry Coventry**.
Award winners are shown by **emboldened** numbers and names in the tables.
The **Best Ross** member **Phil Winnel** picks up the Pepper Pot for 3rd overall.

4. **Teams:** Three entered, two finished intact.
'The Three Must-Get-Beers' 20 / 41 / 56 lost exactly 100 marks, so the **Boswell / Templeton / Bradshaw** equipe shows a clear edge over **'The Beginners'** (?)! 4 / 24 / 25 who lost a total of 117 marks.
5. **Marshals Prize** Draw, held in the Clubhouse at 6.30: The bottles of wine kindly presented by Paul Loveridge went to Dave Campbell and Ben Higgins.
6. The full field of 65 starters (leaving 3 unhappy reserves) lost only 4 retirals en route. Fine weather may help survival in competition, but perhaps the standard of car preparation is rising too? Yet although 'hard tyres' took the first 21 places, all awards were won by marks lost and the tie-deciders settled only overall placings, notably in the zone of 6th to 15th.
7. **Stroud & D.M.C.** turned out in cheerful strength to provide marshals on four sections as well as 12 competing crews, including the overall winner - and a clear F.T.D. on the Special Tests by Wink Wear!
8. Gary Bollands spent the sunny day making a 50 minute video which raised many chuckles in the Clubhouse that evening. For a trivial fee, he will erase those few seconds which embarrass you and copy the rest on to your blank VHS cassette. Contact him on 0989 - 67557.
9. **We sincerely thank all the many volunteer marshals** (including a new boy in the Forest, called Penhale) and those who gave up Sunday to provide food and drink in the Clubhouse. The Kyrle Trial is enjoyed by many because of these others' unstinting efforts - long may they continue!

Barbara, Pauline, Philip, Steve.

PS After 8 years as Trial Secretary, I'm conspiring to try my luck in competition.

The next 8 years will teach me a lot!

Neil

RESERVES

- Now at 33
- Steve Holder - Withdrew
- Ran at 37.

Reserves 4, 5 and 6 were keen enough to come from W. Midlands, Bristol and Derby in hopes of a run, yet were doomed to disappointment. It seems that fine weather reduces non-starters, too! Much better luck to them all from here on.
