Dear Competitor,

Welcome to the Launceston & North Cornwall Motor Club **CLASSIC TESTING TRIAL** TO BE HELD ON Sunday 26th JUNE at the **MILFORD STEAM CENTRE, LIFTON, DEVON** OS 201 410/865.

This is not meant to be too serious a competition, but a day to enjoy, combining motor sport with fun. The format is simple with two bike classes, two for cars and this year, another opportunity for those of you who have them to bring along your Trials Formula specials. The sections are observed and timed with penalties for footing or hitting markers.

The venue is the same as last year, essentially non damaging so an opportunity to bring along the family saloon for some fun - and because it is a closed to club event, you do not need a competition licence.

During the afternoon there will be a barbeque with the proceeds going this year to charity - so please bring the family and let's hope the weather is kind to us.

Sincere thanks are extended to Richard Sandercock for the use of his land.

See you all on the 26th.....

John Turner
