NOTES ON RESULTS

PETROL As all competitors will be aware the petrol station at New Haven did NOT open at am as promised. This was NOT the fault of the Edinburgh Trial Organising Committee, who had written to confirm the opening dates and times, and had visited the site the weekend before to confirm the arrangements and had been assured that the garage understood the arrangements. When approached following the failure to open the garage owner said he thought it was Sunday morning. Enough said !!! This caused the initial delay among the motorcycle competitors who were low on fuel and waited for the garage to open. Other competitors searched Derbyshire for all night garages. As a consequence of this there will be NO time penalties for lateness on the event.

PUTWELL To prevent the event running very late the organisers decided to cut the last section Putwell, for the car classes. All car performances on that section are not included in the results.

A5 CONTROL In the heat if the moment a car competitor left the control without paying for the petrol he had taken on. This has been paid by the MCC, who would appreciate a cheque for £10.77 made payable to the MCC Ltd. This can be sent to G.W.Woolcott or the secretary Mike Furse.

CAR TEAM AWARD There was a tie on points for the car team award. Two teams have 26 points. This was decided by the lowest special test times.

EXCELSIOR No Competitor in class D climbed Excelsior. Those that climbed with footing are given a Non-counting or free foot

Class B s Standard Tyre Motorcycles, allowed 2 free foots.

Note 1 Competitors inspected section, Litton Slack. Marshals and Clerk of the Course report. Competitors given a failure, shown 'STOP' on that section.
SSR 'P' No inspection of sections allowed.

Note 2 Competitors who missed one section are shown M given a failure for that section. Competitors who missed two or more sections are deemed retired as did not complete the course as required.

Note 3 Class 6 There was only one starter in Class 6. This does not qualify as a class, there must be at least 4 starters.

Note 4 Standard Tyre motorcycles. There were not enough entries to make a class. (2 entries) To encourage the class the organising team have decided that the two hill, Excelsior and Litton Slack where both competitors stopped, be deleted from the results and the competitors given non-counting Stops.

Notes 5 Did NOT sign D.O.T. registration sheet at start.

LOST AND FOUND ON THE EVENT.

Found at Bentley Brook Time Control. One pair of overgloves and a red face mask.

Lost by competitor no 15, Geoff Westcott one foot pump.

Also found following the Testing Trial held on July 11th.
