KYRLE TRIAL 23rd April 1989

Acknowledgments and Notes on Results

1. The Indicative Results posted in the Clubroom at 7.10 have been checked through from the marshals' original sheets and found correct - special thanks are due to Simon Harris and Angela Danby, for their fast & accurate work. These **Provisional Results enclosed** (unless queried and protested as L1.14.7) will become Final on Saturday 6th May. Award winners are shown by **emboldened** numbers and names. The Pepper Pot for **Best R&DMSC** goes to 61, **Ben Higgins**, in 13th spot overall - lucky for some?
2. To reflect the wide range of skills and judgment displayed, the last Section 14, Deep Dean, was recorded and marked as as Subdivided 12 to 0, in four zones, viz:
12 for those who stopped anywhere before the GO box;
8 for those who failed to re-start from the box;
4 for those who 'merely' failed at the hairpin left;
0 for the four who cleared through into the field.
3. No competitor incurred penalties at the Time Control run by John & Teresa Hayes in Wenchford Picnic Site. Section 13, Kiln Lane, proved inoperable due to major static on the radios and so was abandoned. Both are omitted from the results for clarity.
4. Of 62 competitors, only 49 are classified as Finishers. Even before the light rain began, it was evident that there would be no clean sheets again this year. The worthy winner of the **Kyrle Trophy, Ian Moss**, lost points in six places. Marks from the Sections decided almost everything - only one award (2nd in Class 3) needed the tie deciding total seconds from Special Tests. This is largely due to the 15 psi minimum pressure in driven wheels observed by Classes 6, 7 & 8 - the last still provided the winner, as usual, and such 'hard tyres' took the first ten places overall, and 16 of the top 20!
5. TEAMS - only three entered; just one finished intact -
The Three Musketeers 15 / 36 / 53, so even with 224 marks lost, Messrs. **Dawe, Alderson** and **Chatwin** gain the Team Awards. This is the third year running that Mike Chatwin has led the winning team - definitely the man to link up with!
6. Found: A drive belt numbered VS750, in the Clubhouse. Identify it to the Assistant Secretary, on (0989-) 67464, and return could be arranged.
7. The Organisers and the Club are, as ever, indebted to the many volunteer marshals who came to help in many ways, and others who laid on the meal at the Finish in the Clubhouse. Please accept our sincere thanks for doing the job with patience and good humour through a long day. We hope these results help everyone to understand what was going on!
