Notes on Results, Lost and Found. Please see Page 14.

THE COMMITTEE WISH TO EXTEND THEIR SINCERE THANKS TO ALL MEMBERS AND FRIENDS WHO WILLINGLY GAVE UP THEIR TIME TO UNDERTAKE DUTIES ON OBSERVED SECTIONS AND CONTROLS.

Delay in the Publication of Provisional RESULTS.

M.C.C. Committee Chairman's letter to All Competitors.

These results reveal that many competitors lost awards and in some cases their chances of a Triple by failing to have their passage recorded at a route check or by arriving early at a time control.

The committee was most disturbed about this but having checked the regulations and the conduct of the appropriate controls are satisfied that the rules have been fairly applied

It must be remembered that MCC Classic Trials are a test of reliability and regularity and not merely hill climbing competitions. The rules are clearly shown in the Standing Supplementary Regulations and the Route Book for the event with the penalties for non compliance equally clearly indicated.

It would seem therefore that many competitors are either not reading, not understanding or simply disregarding this aspect of the rules.

These regulations are essential for the smooth running of an event with so many competitors and help to avoid build ups of traffic which add to the marshals' problems. It must also be remembered that numbers of competitors in the wrong place at the wrong time can lead to serious PR problems that could result in us losing the right to use certain hills.

Whilst sympathising with those who lost awards in this way may I, on behalf of your committee, ask you all to take this as a warning; no organiser likes to penalise anyone in this way, particularly when that competitor has done well on the hills.

JOHN ALEY

CHAIRMAN: MCC EXECUTIVE COMMITTEE
