DATSUN

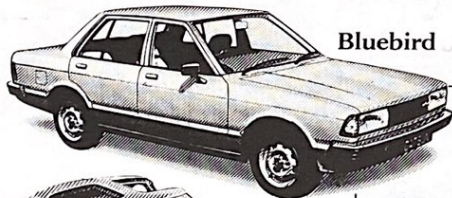

Cherry

Sunny

Stanza

Bluebird

280 ZX

Come and meet the family.

It's probably far more varied than you thought, with cars to delight every taste and pocket—from the economical Cherry to the luxurious 280C and from the new front wheel drive Sunny to the exciting 280 ZX Targa.

Of course they're all individuals. But they've also much in common.

Legendary reliability, for a start—confirmed in numerous independent tests.

And reliability means economy—your car stays on the road—not in the repair bay.

All Datsuns are remarkably well equipped with push-button radio, quartz clock, tinted glass, two-speed wipers, electric washers and reversing lights.

Some models also have air-conditioning, power steering, electric windows, alloy wheels, stereo cassette player and a great deal more. The whole Datsun family is waiting at our showrooms.

Make one part of your family: soon.

WESSEX MOTORS

CLASSIC TRIAL

ORGANISED BY THE
WOOLBRIDGE
MOTOR CLUB

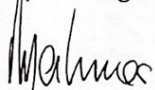

NISSAN / DATSUN

NISSAN / DATSUN

This year's Wessex Motors' Trial will significantly change in format with the introduction of a new team of organisers and the injection of fresh ideas. Our regular band of stalwarts are taking a well-earned rest on this occasion and we thank them most sincerely for all their previous hard work. We hope they will return in future years.

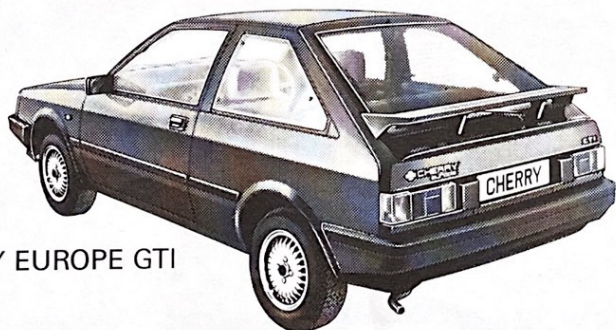

This, the 6th Wessex Trial will provide a number of new and somewhat more severe sections than previous, more akin to the traditional classic trial. It has been designed to demand the highest level of skill and concentration and promises a number of surprises for the unprepared! We hope you find the event challenging, stimulating, but above all enjoyable and trust you will return again in 1984.

As a competitor I am sure you will wish to join me in thanking the many willing helpers who make the event possible.
