WELCOME

Once again it is my pleasure to extend to you an invitation to participate in our Chase Clouds Trial. Our organising team have been busy preparing for your visit and can promise you an entertaining days motor sport, which incorporates plenty of competitive challenge.

We again plan to take you through the beautiful countryside in Cannock Chase and the Vale of Trent. It is a particular privilege to be allowed to show you these areas, for apart from our annual visit, motor sport competitors are prohibited from using much of this countryside. Naturally we have to thank many Local Authorities for this concession and, in particular we wish to express our gratitude to

The Staffordshire County Council
The Nature Conservancy Council
The Staffordshire Police

The Duchy of Lancaster
The Forestry Commission

and the many local Landowners who welcome our annual visit.

In recent years competitors on this event have earned a splendid reputation from Local Authorities, Residents and other countryside lovers for considerate and courteous behaviour and we implore you to maintain this reputation during your visit.

The popularity of this meeting is such that recent events have all been over subscribed.....

So may we suggest that you submit your entry early.

On behalf of the Shenstone & District Car Club may I say that we look forward to greeting you on March 11th. and wish you an enjoyable and competitive days motor sport.

Michael Overton
Club President.
