KYRLE TRIAL

Sunday 28th April 1991

Results and Acknowledgements

1. Indicative Results were posted at the Clubhouse Finish at 5.30 pm and have subsequently been rechecked, with one (minor!) amendment. Sincere thanks to the Scorers for producing the results sheets so quickly.
No competitor incurred a penalty at the tyre pressure check for Classes 6, 7 & 8 - well done, the hard tyres lot!
2. These Provisional Results will become Final on Saturday 11th May unless queried and protested as in L 1.14.7.
3. The Kyrle Trophy is neatly won by Jason Collins of Class 7, which last triumphed with Alan Foster & Beedle in the rain of 1983!
Class award winners are shown in bold print on the results sheets attached.
The **Best Ross member** is **(20) Rodney Green**, who will receive the Pepper Pot.
4. Two teams were entered and both finished complete:
The Bass Specials incurred a total of 214 marks and won from The Working Turkeys, who lost 243.
5. Of the 70 entries, 66 started and four of those failed to complete the course. The weather was fine and dry all day; many sections showed their true wet form though, in the main, all sections were in excellent condition. Vehicles on "hard tyres at 15psi" took 18 of the first 20 places overall, with the winners of Class 5 and Class 3 gaining 13th and 17th overall respectively.
6. Thanks to those Stroud & DMC members who turned out to marshall, mainly at Jack / Jill / Pludds and to all who entered the event.
7. Thanks also to every one of the other volunteers who made it possible to run the Kyrle, including the Stewards (Allin Penhale and Ken Hobbs) from whom a lot was learned, and also our own Ladies Section, who again put on an excellent spread in the Clubhouse - and made ready to serve it 45 minutes earlier than planned!

Sincere thanks to you all

John, Phil, Owen & Paul
