

1993 TAMAR TRIAL.

Provisional Results

Dear Competitor

The enclosed Provisional Results lists all competitors' performances, the main trophy winners on Index of Performance being:

Tamar Trophy (best car)	John Kessell
Dunheved Cup (best solo)	Fernley Luxton
Bude & District Cup (best sidecar)	Richard Rigby-Jones
Dunheved Trophy (best special test times)	David Holley
Club Cup (best car classes 1,2,3)	Adrian Ball
Saloon Cup (best car classes 4,5,6)	Bob Barrow
John Dell Cup (best car classes 7,8)	George Davey

Congratulations to all the above and to all who finished the event, whether or not an award was won.

Lateness

A number of competitors presented themselves to the starter after their due start time, some considerably late. The S.S.R. of the R.A.C. allow for a penalty of 5 points per minute late starting. This regulation will be applied to all competitors, including motorcyclists, from next year. It is the responsibility of the competitor to find the starting point, which was clearly indicated on the regulations and programme with the map reference.

Considerate Driving

It is very pleasing to report that your considerate driving was commented on by land owners. Thank you all for your co-operation. It makes it much easier to continue with the event when positive reports are received.

Lost Property

I have one mans blue glove - left hand - which was given to me at the finish. It looks as if it has been used by a motorcyclist or perhaps a competitor in an open car !

Also found was a plastic bag containing three men's jackets. This was discovered on the approach road to Newton. I think it unlikely they are anything to do with a trial competitor, but perhaps they are some form of additional ballast !

Annual Dinner & Awards Presentation

We hope you will all note the date of our dinner and awards presentation in your diaries, 11th March 1994. We shall be delighted to see you all, particularly the main award winners.
