

NORTH DEVON MOTOR CLUB

EXMOOR TRIAL

(Motorcycles)

COVID-19 Summary PLEASE READ carefully

To run the EXMOOR TRIAL safely in the current environment it has been necessary to introduce several changes for the safety of not just the competitors but also the marshals and organisers. These regulations have been compiled taking into consideration ACU, Motorsport UK and Government Guidelines as of the 1st December. A summary of the measures introduced are:

- A reduced number of entries to allow greater separation and additional time during the day.
- Only the driver and passenger (where applicable) are allowed on the event – No spectators or support personnel.
- Online entry and payment only.
- Sealed Competitor Numbers only will be supplied at the start.
- Electronic Signing-on in advance.
- A self-certified declaration for scrutineering with only external visual checks on the day.
- Electronic marking/scoring with online results which will be despatched via email within 7 days of the event finishing.
- A requirement that competitors do not enter if they, or anyone they have been in contact with, have displayed symptoms in the 10 days prior to the event and to sign a declaration to that effect.
- A dedicated COVID-19 officer to ensure adherence to the measures put in place.

What we expect from competitors:

- Always comply with the social distancing of 2 meters
- Comply with any request from the COVID-19 officer.
- If you are in a vulnerable category or have been asked to self-isolate, please do not enter.
- If you, or anyone you are in contact with, are unwell before the event, that you notify us and do not attend.
- If you are uncertain about any of the above measures, please do not enter this time. We will welcome you back in the future, but it is a privilege that we are able to run this event at this time. With advice/legislation changing all the time having to cancel the event is always an option.

Finals sent by email Week commencing 19th April 2021.

First competitor starts 08.31hrs

Any competitor who has not completed the online entry requirements by the entry closing date may be excluded and their entry offered to the next reserve.

COVID-19 Officer.

The COVID-19 Officer's responsibility is to ensure that mitigations for COVID-19, issued by ACU Ltd, the Government or the organisers, is adhered to by everybody, including the organisers, thereby ensuring the continued safe running of the event for everyone involved.

If competitors have any concerns with COVID-19 restrictions, then they have the right to contact the COVID-19 Officer during the day to discuss their concern.

The COVID-19 Officer reports directly to the Clerk of the Course and the Club Steward and to allow the COVID19 Officer to perform their role successfully the following penalty is introduced: **NOT FOLLOWING A REASONABLE REQUEST FROM THE COVID-19 OFFICER – EXCLUSION and REMOVAL FROM THE VENUE.**

Personal COVID-19 Considerations

- If you wish to bring and wear a mask/face covering that is acceptable but you must ensure that it does not obstruct your vision and that it is securely fastened.
- Please bring your own hand sanitiser/wipes as required.
- Remember you are responsible for your own actions and it is a privilege that we can run this event at this time, please do not be the one that ruins it for others.

PERMITTED TYRES

Only tyres which conform to the specification of the ACU may be used.

ACU Tyre Regulations.

Only tyres which conform to the following specification may be used. All tyres will be measured mounted on the rim inflated to a pressure of 14 lbs/sq.in, and must have a nominal aspect ratio of 100/100. Overall width (O) measured at wheel spindle height must not exceed 115mm. (Refer to

diagram). Tread depth (A) must not exceed 13mm. All tread blocks in the same circumference must be of the same depth. The space between the tread blocks (B) must not exceed 9.5mm across the tyre or 13mm in a circumferential direction (C). The space between the shoulder blocks (D) must not exceed 22mm. The space across the tread (E) must not extend completely across the tyre measured at right angles to the tyre wall unless broken by a block. All main tread blocks must in principle be parallel with or at right angles to the tyre axis. (Tyre must have the same appearance if reversed and conform in principle with these diagrams). The tyre surface must not be fitted with any subsequently mounted elements such as anti-skid devices, chains, etc. NB: Only tyres available from commercial sources and complying with these dimensions are permitted in competitions. Where the event uses the public highway, tyres must be manufactured to comply with European Tyre & Rim Technical Organisation and have the relevant markings.

Tyres for Long distance Trials Only tyres normally available from commercial or retail sources for use on the public highway (specification as above under “Tyres”) are authorised. They shall appear on the tyre manufacturers range catalogue or tyre specification list available to the general public. They must be manufactured to comply with European Tyre and Rim Technical Organisation (ETRTO) requirements in respect of load and speed codes and have a minimum service description of 45M. The use of MX and Enduro-type tread patterns are not permitted. The space between adjacent tread blocks must in principal not exceed 15mm (distance between tread block corners at diagonal groove intersections may exceed this dimension).

Class C. Are permitted to use tyres on the ACTC list. (ref: www.actc.org.uk)
