Zoom Meeting details and any final papers to be sent approx. 7 days in advance

**AGENDA v3**

1. Apologies for absence.
2. Approval of the Minutes of the Meeting held on 25<sup>th</sup> April 2022.
3. Outstanding actions and matters arising from the minutes above (where not covered below)
4. To note the confirmation of Officers as elected at 25<sup>th</sup> April 2022 meeting **Keith Sanders**
5. Financial Report. **Paul Brooks**  

**(Attachment 1)**

  - a. Current position as of August 2022
  - b. Budget for 2023
  - c. Fees for 2023
6. Proposals to be voted

At the 25<sup>th</sup> April meeting Club Reps were asked to take the following proposals back to their Clubs to discussion and decision for a vote at this meeting.

- a. **Proposal from Minehead MC – MCC Bonus Rounds** **Norton Selwood**  
To increase the points Gold/Silver/Bronze awards on MCC events which are currently Bonus Rounds in ACTC Championship. The proposal is to increase from 5, 3 and 1 to 8, 5 and 3 points. Also given the endurance and reliability nature of these events a single point for finishing.
- b. **Proposal from Motorcycle Co-ordinator – Class ID Sticker** **Chris Barham**  
After conversations with many marshals/ observers at events, it seems many have difficulties identifying the class of a bike approaching them at a section. Whether that bike is to ride through a restart or take a deviation. While the onus is always on the competitor to do the correct Class identification stickers for Bikes would help the situation. The classes affected are Class A and Class B1/B2/B3. Mainly applies to A and B3, not just for Restarts but also sometimes for deviations.
- c. **Proposal from MCC – Class S for Step-through Bikes** **Dave Middleditch**  
The proposal is to create a new 'Class S' for step-through bikes. This would allow these bikes to compete without having to do the class B restarts as they remain fundamentally uncompetitive.  
CLASS S - Step-throughs and scooters, which must comply with the following requirements:
  - a) The machine must originally have been manufactured as a step-through or scooter.
  - b) There must be a nominal gap between the seat and the headstock (or bodywork at the headstock) of at least 250 mm.
- d. **Flexibility on dates for Championship Trials** **Pete Hart**

If we want to take advantage of the relaxing of Date change rules, we need to amend a championship rule, my proposal would be as below and vote at the meeting for an amendment of Championship Rule 2.2

Existing Rule 2.2

2.2 The dates on which the events are held in any particular year are agreed by the Council of ASWMC & ACTC and may not be changed without the written approval of the ASWMC & ACTC.

Revised Rule 2.2

2.2 The dates on which the events are held in any particular year are agreed by the Council of ASWMC & ACTC. The Championship Stewards may at the request of an Organising club, re-schedule or Cancel or Postpone Events.

## **Notes from the Motorsports UK Trials Committee meeting- 2<sup>nd</sup> August 2022**

An update on the Diff testing within sporting trials was given. A list of cars which had passed / failed the test was with the BTRDA and would be published. This item will now be removed from the agenda.

### **Catalytic converters/ Tyre rules.**

The revised rules have now been approved and will appear in the 2023 Blue Book

Details:

#### **Section T – Trials**

**T9.8.6.** Exhaust Catalytic Converters are required per J.5.16.7, except where a vehicle does not require a catalytic converter in accordance with government legislation.

Date of Implementation: 1 January 2023

Reason: Clarification. To ensure consistency with Construction and Use requirements

**T10.9.4.** Standard tyres must be used, and all types of Grip and Town & Country tread patterns are prohibited. Radial tyres with a maximum block gap exceeding 8mm are prohibited. A tyre will be deemed to have a block gap not exceeding 8mm if when fitted to a rim and inflated to 25psi an 8mm round bar will stick in the gap when horizontal. Purely circumferential gaps may be ignored.

**T10.11.** Class 2 vehicles must use cross-ply tyres (which need not be listed in Lists I or II but which must not be of Grip, Town & Country, or Dual Purpose.

**T10.11.1.** Deleted

**T10.11.2.** Deleted

Date of Implementation: 1 January 2023

Reason: Clarification. The tyres referenced in T10.9.4. have been unavailable for decades and the introduction of a simple 8mm void test is easy to understand and apply. The changes to 10.11., 10.11.1. and 10.11.2. simplify the regulations in respect of Cross ply tyres. In both 10.9.4. and 10.11. reference to M&S is removed as this marking is applied to the greater majority of road tyres currently available and has no bearing on the aggressive nature of the tread pattern.

### **Taster Events**

Clubs may now run more than 1 Taster event in the same discipline per year. All entrants must hold a RS Clubman licence but do not need to be club members.

## **Marketing & Communications**

Daniel Smith is Head of the MS-UK Marketing & Communications team. The team are now fully staffed and focused to assist the sport.

## **Forestry use**

The Forestry England master agreement is still under discussion, meeting on the 8<sup>th</sup> August. Iain Tullie confirmed they were more aware of Trials issues than previously. It was requested that MS-UK help with template documents.

## **Re-write of national competition rules.**

This has now been rescheduled to 2024.

## **Date Changes in Grassroots Championships.**

A regulation change is proposed to allow date changes to be permitted within the Championship rules for grassroots championships. If no rule exists all changes will need MS-Uk and all contenders written approval.

**D.11.2.1.** Exceptionally - For Interclub and Clubmans Championship Events for Autotest, Cross-Country and Trials only the Championship Regulations should include provision for the Organisers to re-schedule or Cancel or Postpone Events. If no such provision is made all Competitors and Motorsport UK must agree in writing to any change.

See championship rule change proposal on agenda.
